

tranquillity ribbed lighted glass slate fountain

ribbed glass wall with color changing LEDs

- Natural slate base with ribbed glass lighted cascading wall
- Cascading wall illuminated by color changing low voltage LEDs
- Powered by Infinity magnetic drive pump
- Constantly recycles water from a hidden reservoir
- Creates a relaxing atmosphere on your patio, deck, balcony or in your garden
- Easy to install and enjoy
- Energy efficient pump for low operating costs

Part Number	40277
UPC Code	840594002772
Product Weight	83 lbs
Box Dims.	36.6" x 18.1" x 19.8"
Box Weight	88 lbs
Master Carton Quantity	1
infinity magnetic drive pump	
Pump model #	SP-160
Voltage	110V
Current	0.12A
Power	13 W
LED lighting unit	
Voltage	12 V
Capacity	200 mAh
